

The aim of this questionnaire is to collect information on the impact of the activity.

The information collected is confidential and will be treated in an aggregate manner.

*(More information can be added on the introduction related to the context of the activity)*

**PROFILE DATA** *(questions can be added or replaced related to the context of the activity)*

1. Have you ever engaged in a workshop like this one (to develop competences to work images in social media)?  Yes  No

**IMPACT DATA**

2. Please indicate your level of agreement with the following statements using the scale:

|   | Strongly disagree | Disagree | Agree | Strongly agree | I don't know |
|---|-------------------|----------|-------|----------------|--------------|
| After engaging in this activity, I feel more capable to create photographs (including capturing and editing).                           |                   |          |       |                |              |
| After engaging in this activity, I understood better that information on social media can carry different meanings to different people. |                   |          |       |                |              |
| This activity helped me to think about my own and others privacy.   |                   |          |       |                |              |
| After engaging in this activity, I feel more self-confident in deciding what portraits I will share.                                    |                   |          |       |                |              |

**SATISFACTION and PERCEIVED VALUE/USEFULNESS of the WORKSHOP**

3. Please indicate your level of agreement with the following statements using the scale:

|  | Strongly disagree | Disagree | Agree | Strongly agree | I don't know |
|--|-------------------|----------|-------|----------------|--------------|
| I think the project themes (representation through digital technologies and responsible use of social media) are important to me |                   |          |       |                |              |
| I consider adequate the duration of the arts based workshop  |                   |          |       |                |              |
| I am satisfied with the digital tool of the workshop.  |                   |          |       |                |              |
| I think the digital tool is easy and friendly to use.  |                   |          |       |                |              |
| I enjoy this workshop very much.   |                   |          |       |                |              |
| I made this project known to others (family, colleagues)   |                   |          |       |                |              |

4. Indicate what do you considered to be the **strong points** of this workshop?

---

5. Indicate what do you considered to be the **weak points** of this workshop?

---
